Seeking Host Families for Exchange Students

Youth for Understanding (YFU) needs host families for high school exchange students for the 2017-18 school year. Many students are willing to attend their host family's religious services as often as they do. You can request more details about any of them or see more at www.yfuusa.org/meetstudents. Many different kinds of families can host -- you don't need to have high school age kids -- just the ability to be a good parent for a high school student, and to open your heart to another child. The students bring their own spending money and health insurance and can share a room with a host sibling. Contact Nicholas Paauwe at 616-808-1155 or npaauwe@yfu.org. You can also visit www.yfu-usa.org to fill out an online application.
